

Dance – Terms and Conditions

1. General information

- 1.1. Dance Mobility France SAS, 10 Boulevard Haussmann, 75009 Paris (hereinafter referred to as "**Dance**") rents light electric vehicles, e.g. ebikes (hereinafter referred to as "**Vehicle**") to consumers within the meaning of the preliminary article of the French Consumer Code (hereinafter referred to as "**Customer**"). The customer also receives access to an application for internet-capable mobile phones (hereinafter referred to as "**Dance App**"). The Customer signs up for a subscription service that provides a vehicle and accessories of their choice, paired with on-demand repair/maintenance services for the duration of membership. Customers can leverage the Dance App for in-ride data while using the Vehicle, such as ride speed and distance. The Dance App also provides a way for Customers to communicate with Dance's customer team (hereinafter referred to as "**Concierge**") that can schedule support, maintenance and replacement appointments. Members also receive merchandise and invitations to exclusive community events. The following terms and conditions apply to the contract concluded between Dance and the respective Customer.
- 1.2. Contractual partner of the Customer is:

Dance Mobility France SAS
10 Boulevard Haussmann,
75009 Paris
- 1.3. Dance reserves the right to make changes to these terms and conditions as necessary to adapt to changing legal or technical conditions. Changes will be announced to the Customer by notification via email and by publication on the Dance website and in the Dance App. Possible changes are considered as approved if the Customer does not object to them in text form within 14 days after receipt of the notification of change. Dance will inform the Customer separately about the right of objection and the legal consequence of silence together with the notification of change. In the case of the Customer's objection to the change or addition of the terms and conditions, Dance is entitled to terminate the rental contract on the basis of these terms and conditions to the Customer with a notice period of four weeks.

2. Conclusion of Contract / Rental Object

- 2.1. Upon successful completion of the online ordering process, the Customer submits a binding offer to conclude a subscription. Through the order confirmation sent by Dance via email, Dance accepts the Customer's offer to conclude a subscription and thus the conclusion of a rental contract.
- 2.2. Dance does not save the text of the contract after conclusion of the subscription.
- 2.3. In the course of the online order process, the Customer selects the desired Vehicle and, if necessary, additional accessories. The successful completion of a digital onboarding in the Dance App is an essential prerequisite for the protection to be valid. This can include different steps like a quiz on how to properly secure the Vehicle and the upload of photos showing a properly secured Vehicle. If the onboarding process has not been successfully completed by the Customer, the protection is not provided.
- 2.4. The Customer has no claim to receive a Vehicle in a certain colour or design.
- 2.5. Dance is obligated to leave the rental objects to the Customer in usable condition and to maintain the usability during the rental period.
- 2.6. In order to check the personal data of the Customer, Dance is entitled to compare them with a photo identification of the Customer (e.g. identity card) and other documents for address verification (e.g. electricity bill). Dance is further entitled to transfer the personal data of the Customer to third parties in order to verify the Customer's credit score. Dance reserves the right to rescind the contract with the Customer in case of an insufficient credit score.
- 2.7. The Customer authorizes Dance to perform credit checks and queries with credit agencies as well as to perform checks for the purpose of fraud prevention. By providing a form of payment, the Customer authorizes Dance to perform credit checks to identify risks associated with entering into the Subscription Agreement. Dance has the sole discretion to decline to provide a Vehicle based on this information.
- 2.8. After positive results of the individual credit check, Dance reserves the right, at its own discretion, to require the Customer to pay a deposit, maximum in the amount of the value of the provided Vehicle, as security in individual cases. The deposit amount must be paid before the selected Vehicle is handed over. After termination of the subscription contract, the deposit amount shall be credited at the latest within five working days after the return of the Vehicle using the payment method selected by the Customer upon conclusion of the contract. As

an alternative to the deposit, Dance reserves the right, at its own discretion in individual cases, to require the payment of an advance payment, up to a maximum of the value of the provided Vehicle, as security by the Customer. The security amount must be paid to Dance before the handover of the selected Vehicle and will be offset against the monthly subscription fees during the contract period. If the contract is terminated by the customer before the security amount has been fully settled, the remaining amount will be refunded at the latest within five working days after the return of the Vehicle using the payment method chosen by the Customer upon conclusion of the contract.

- 2.9. Should the Customer's personal data change during the contract period, the Customer is obliged to inform Dance about the changes within two weeks.
- 2.10. To conclude a contract with Dance, the Customer must be at least 18 years old and his/her main residence must be in France.
- 2.11. Dance remains at all times the owner of all rental objects (namely Vehicles and possible accessories).
- 2.12. The contract period of the subscription is agreed upon during the online ordering process. Dance for Business customers automatically commit to a monthly subscription term.
- 2.13. Unless otherwise agreed in the online ordering process, the Vehicle rental contract is extended by the period of time originally agreed in accordance with section 2.12, but with a maximum extension of one year, if the contract is not terminated before the end of the respective term, in compliance with the termination provisions stated in section 6.
- 2.14. It is permitted to lend the Vehicle to a partner or friend for non-commercial purposes. In case of a culpable violation, the Customer is obliged to pay a contractual penalty according to the fee list and Dance has the right to terminate the rental contract with immediate effect without notice and to demand the immediate surrender of the Vehicle. The customer bears full responsibility in the event of damage, accident or theft of the Vehicle by the person to whom he has lent the Vehicle and is liable for all costs incurred.

3. Terms of payment

- 3.1. For the rental of a Vehicle and, if applicable, its accessories or additional services, the fees are due on the first day of the contract period agreed upon within the ordering process.

- 3.2. The contract period begins on the day the Vehicle is made available to the customer as agreed. When collecting the Vehicle, the customer has the opportunity to test its function and operability. If, contrary to expectations, it turns out that the customer cannot use the Vehicle as intended, the customer may withdraw from the contract within a period of 24 hours and cancel the order free of charge.
- 3.3. The respective possible payment methods are shown to the Customer in the product information and/or in the online order process.
- 3.4. The timeliness of payments depends on the receipt of the amount for unconditional disposal by Dance.
- 3.5. Dance processes all payments via external payment service providers. This includes, but is not limited to Stripe. The Customer agrees that Dance only accepts payments through this service provider or that the service provider may debit the resulting amounts.
- 3.6. The Customer agrees to the automatic debiting of the owed invoice amount by selecting the payment method. In case of a possible contract extension or an applicable fee, Dance will automatically debit (collect) the owed invoice amount from the deposited payment method on the first day of the new contract period.
- 3.7. All prices are inclusive of the statutory value-added tax. Dance provides the Customer with an electronic invoice via the Dance app at the beginning of each billing period.
- 3.8. If the Customer is in default with the payment of a not insignificant part of the invoice amount, Dance is entitled to extraordinary termination of the contract as of the next billing period. The amount is considered not insignificant if either two invoices are not paid by the Customer or if the outstanding invoice amount exceeds a threshold of €150 in total. In this case, Dance reserves the right to collect the Vehicle at the Customer's expense after the unilateral termination of the contract with immediate effect. In this context, the Customer is obliged to make the Vehicle available to Dance at the notified time. If the Vehicle cannot be found (e.g. because it is located on private property), Dance can demand compensation for the incurred costs according to the [fee list](#). The Customer is free to prove that no damage has occurred or the damage is significantly lower than the lump sum. Dance is entitled in case of extraordinary termination according to this clause 3.8 without prejudice to the legal rights of default to claim a lump sum compensation of 50 EUR. Dance is at liberty to claim damages exceeding the lump sum. The Customer remains entitled to prove that Dance has not incurred any damage or only lesser damage.

4. General obligations of the Customer / prohibitions

- 4.1. The Customer is obliged to make himself familiar with the [functioning of the Vehicle](#) before using it and to observe the safety and usage instructions of the manual in the Dance App. The Customer is obliged to treat the Vehicle with care, to use it with caution.
- 4.2. The rented Vehicle and any accessories may not be used outside of France or exported from France.
- 4.3. With the booking of a repair or maintenance appointment, the Customer is obliged to make the Vehicle accessible to Dance at the booked time. If the Vehicle cannot be found (e.g. because it is on private ground) Dance may demand compensation for the incurred costs according to the [fee list](#). The Customer may prove that no damage has occurred or that the damage is significantly lower than the lump sum.
- 4.4. Dance reserves the right to inspect and maintain the Vehicle 24 hours after prior notice, as well as to carry out repairs or exchange the Vehicle.
- 4.5. The Customer is obliged to lock the Vehicle with all locks Dance provided to a suitable fixed object.
- 4.6. Should the Customer not be able to open or close the Vehicle lock via the Dance App due to a technical malfunction, the Customer is obliged to use an alternative opening method instead, if such a method is available.
- 4.7. If it should not be possible to lock the Vehicle properly due to a technical malfunction, the Vehicle must not be left behind without supervision and the Customer is obliged to immediately inform Dance about the malfunction.
- 4.8. It is prohibited to use the rented Vehicle for commercial purposes (e.g. delivery and courier services) without prior agreement with Dance. In case of a culpable violation, the Customer is obliged to pay a contractual penalty according to the [fee list](#) and Dance has the right to terminate the rental contract with immediate effect without notice and to demand the immediate surrender of the vehicle.
- 4.9. The battery charger for charging the Vehicle battery will be handed over to the Customer at the handover of the Vehicle. The use of the battery charger is only allowed for the respective battery. At the end of the rental relationship the Customer is obliged to return the battery charger in proper and operational

condition. The Customer is obliged to inform Dance about any technical malfunctions. In the case of a loss or theft of the battery charger, Dance may charge a fee according to this [fee list](#).

- 4.10. If it is a Vehicle with a removable battery, the Customer will be handed over a battery at the handover of the Vehicle. In case of battery malfunctioning, i.e. if the battery is submerged in water, the battery case is defect (bloated) or liquid is coming out, the Customer is obligated to immediately isolate the battery and inform Dance. The use of the battery is only allowed for the respective Vehicle. In the case of a loss or theft of the battery, Dance may charge a fee according to this [fee list](#).
- 4.11. The Customer is responsible for recharging the battery and bears the costs for the consumed electricity. Recharging may only be done with the supplied suitable charger.
- 4.12. Prior to the start of each use of the Vehicle, the Customer is obliged to check that the Vehicle is in good working order and roadworthy (in particular the brakes and lights) and to refrain from using it if it is defective. In case of defects that occur during the ride or are noticed during the ride, the Customer is also obliged to immediately stop using the Vehicle, inform Dance about the defect and refrain from using the Vehicle until Dance repairs it.
- 4.13. It is not allowed to make changes like painting, alterations or similar to the Vehicle or any accessories. The same applies to changes to the software of the board computer.
- 4.14. The attachment of accessories not included in the delivery and not covered by the subscription ("additional accessories") that are customary for the respective Vehicle type is permitted, provided that they can be removed without leaving any residue. In the case of a booked repair, the additional accessories must be removed before the Vehicle is handed over to Dance. The attachment and removal of Additional Accessories shall be at the Customer's own expense and risk. The customer is liable for any damages resulting from the attachment and/or removal of additional accessories to the Vehicle. Dance assumes no liability for additional accessories attached by the customer, also not for their functionality, or for damages that occur due to the use of the additional accessories.
- 4.15. The Vehicle is designed as a means of transport in urban areas, especially commuter traffic. It must not be used in an unusual manner, loaded, or subjected to inappropriate conditions. In particular, the Vehicles must not be used for transporting more than one adult, on unpaved surfaces, and for mountain biking or similar activities, for example. The transportation of children with suitable child

seats is permitted. The use of the Vehicle under the influence of drugs, alcohol, or medication is prohibited.

- 4.16. The Customer is obliged to adhere to the valid road traffic regulations and local regulations when using the Vehicle.
- 4.17. The Customer is obliged to check the functionality of the smartphone holding device before using it. Dance does not assume liability for any damage to the Smartphone through the use of the smartphone holding device.
- 4.18. If a child seat is included as an additional accessory in the scope of the subscription, the customer is obliged to check its functionality and road safety before each use. The child seat is approved for use by children aged between 9 months and 6 years, weighing between 9 kg and 22 kg. During the use, the customer is obliged to buckle up the child properly by using the provided belt system and to ensure that the child wears a bicycle helmet. Dance is not liable as far as damages are based on a breach of duty of the customer or are caused by the improper use of the child seat by the customer or can be traced back to this.
- 4.19. Dance is entitled to prevent the use of the Vehicle by the Customer (e.g. by withdrawing the digital access to the Vehicle lock), if rental payments are not made, if there is a suspicion of improper use (e.g. for commercial purposes), if the Vehicle has a safety critical defect or if the Customer violates the clauses of these terms and conditions in any other way. In such a case, Dance is also entitled to locate the Vehicle via technologies like GPS and collect the Vehicle.

5. Damage / repair / theft

- 5.1. In case of functional impairment of the Vehicle due to damage, the Customer has to inform Dance within 24 hours after the damage has become known. The further use of the defective Vehicle is not allowed until the damage is repaired.
- 5.2. In case of damage to a Vehicle, Dance will carry out the repair at the Customer's location or in a workshop. If the damage cannot be repaired within a reasonable timeframe, the damaged Vehicle will be replaced by a comparable model. If the Vehicle is not properly secured when the Dance employee arrives for the repair appointment, Dance reserves the right to collect the Vehicle and terminate the contract with immediate effect.
- 5.3. In case of an accident or damage event with a Vehicle, the Customer is obliged to report this to the police and Dance immediately. Furthermore, the Customer has to send Dance a detailed written accident report, if necessary with an

accident sketch, immediately, at the latest seven days after the damage event. The Customer has to record the names, addresses and email addresses of the involved parties and witnesses in writing. If Dance does not receive an accident report within this period, the Customer is liable for all damages caused by the omission of the report, including the loss of protection.

- 5.4. The Customer bears the costs for the repair and replacement parts himself, if
- the damage was caused by use not in accordance with the terms and conditions.
 - the damage has been caused by improper use (e.g. damage to the luggage carrier due to excessive load).
 - parts of the Vehicle have been lost and must now be replaced.
 - the damage has been caused by deliberate or negligent action on the part of the Customer.
- 5.5. If the Vehicle, a part of the Vehicle, a removable battery, or other accessories have been stolen or cannot be found for any other reason, the Customer is obliged to inform Dance about the loss via the Dance App as soon as possible, but at the latest within 24 hours after becoming aware of it. Furthermore, the Customer is obliged to participate in the attempt to recover the lost object and if necessary to give information (including in writing) to the insurance company and the police.
- 5.6. In case of theft of the vehicle, the Customer is obliged to pay an excess according to the fee list. Besides, Dance reserves the right to extraordinarily cancel the subscription contract in each case of theft. The obligation to pay the deductible by the Customer shall not apply in case of theft of the vehicle if the Customer has chosen the Extra protection when concluding the contract or has added this option during the term of the contract. An indispensable condition for waiving the obligation to pay the deductible is the proper securing of the vehicle before the occurrence of the theft. This includes in particular the correct use of the lock. If Dance recovers a stolen vehicle with an intact lock, Dance will assume that the vehicle was not properly secured. In this context, Dance reserves the right to terminate the contract extraordinarily with immediate effect and to charge a fee following the list of fees. The Extra protection is valid for two independently reported cases of theft. After two independently reported cases of theft, Dance reserves the right to automatically exclude the Extra Protection from the scope of the contract concluded with the customer or to terminate the contract extraordinarily with immediate effect. The theft or loss of the battery is not covered by Extra protection according to the fee list. In the event of theft, Dance will exchange the stolen vehicle as soon as possible after the theft has been checked by the insurance company, all possible deductibles have been paid and Dance has received the key for the battery lock and the battery back,

provided it has not also been stolen, with a comparable model.

- 5.7. If the Vehicle and/or battery could be found again after payment of the deductible, Dance can refund the payment of the deductible to the Customer at its own discretion and depending on the technical and optical condition of the found Vehicle and/or battery. The Customer is free to prove that Dance has not suffered any damage, or that this damage is significantly lower than the deductible paid by the Customer. Dance reserves the right to claim further damages.
- 5.8. If the Customer has not secured the Vehicle as described in paragraph 4.5. and the Vehicle is lost, stolen or damaged, the Customer has to pay an increased deductible according to paragraph 5.6 and the [fee list](#). The Customer is free to prove that Dance has not suffered any damage, or that this damage is significantly lower than the deductible paid by the Customer. Dance reserves the right to claim further damages.

6. Termination of contract / return

- 6.1. Termination may be declared by the contracting parties at any time with effect from the end of the contract term, subject to compliance with the following formal and handover provisions.
- 6.2. Cancellations can be made by the Customer either directly in the settings of the Dance App or can be sent to Dance by any official supported Dance support channels (including but not limited to email, WhatsApp, in-app chat) In case of a cancellation via email, it has to be sent from the email address, which the Customer has stored in the personal data in the Dance App.
- 6.3. Upon termination of the rental agreement, the Customer is obliged to book a handover date within the contract period via Dance App and to return the Vehicle, as well as any accessories to Dance.
- 6.4. If the Vehicle is not returned in time, the Customer is obligated to pay the agreed upon rent for the duration of the withholding as compensation.
- 6.5. Dance picks up the Vehicle at the scheduled handover date. The Customer has to drop off their Vehicle at a designated pickup point selected through the Dance app without the presence of the Customer (permitted every day except from Fridays at noon to Mondays at 6am CET). If the Customer can not make the Vehicle available, the appointment needs to be canceled 24 hours before. The Customer has to pay compensation per wilfully or negligence missed handover date according to the [fee list](#). If the Customer has not booked a handover date

within the contract period, Dance is permitted to schedule one handover date per week until the collection is successfully completed.

- 6.6. On termination of the rental relationship, the Customer is obliged to return the battery, charger, phone holder and any other accessories in a proper and operational condition. The Customer is obliged to inform Dance about any technical malfunctions.
- 6.7. The right to terminate for cause without observing a notice period remains unaffected. Reasons entitling Dance to extraordinary termination include, but are not limited to, all circumstances entitling Dance to block the Customer's access to the Dance Vehicle in whole or in part or to suspend the provision of all services associated with the subscription in accordance with the contract, such as due to a reputational violation of Dance by the customer's breach of an obligation under the contract or a violation of the standards for interaction between Dance and the Customer. Such breach includes, but is not limited to, libel, slander, hatred, incitement, and threats of violence or calls for violence directed at Dance employees. The customer has the possibility to comment on a warning, which may precede the termination, within seven days after receipt of the warning, for example by e-mail to legal@dance.co. If no comment of the Customer is received within the mentioned period, Dance can terminate the contract unilaterally at the end of the current payment period. The right to claim damages remains unaffected by a termination.

7. Limitation of Liability

- 7.1. Dance is liable for intent and gross negligence. Further, Dance is liable for the negligent breach of obligations, whose fulfillment is essential to enable the ordinary implementation of the contract, whose breach jeopardizes the achievement of the purpose of the contract and on whose compliance the customer may rely on regularly. In the last-mentioned case, Dance is only liable for the foreseeable, typical contractual damage. The same applies to breaches of duty by vicarious agents of Dance.
- 7.2. The abovementioned exclusions of liability do not apply in case of damage of life, body and health. The liability pursuant to the product liability law remains unaffected.

8. Right to Withdrawal

- 8.1. You have the right to withdraw from this contract within 14 days without giving any reason. The withdrawal period will expire after 14 days from the day of the conclusion of the contract. To exercise the right of withdrawal, you must inform us

9. Assignment of claims

- 9.1. Dance is entitled to assign payment claims and other claims against the customer individually or in their entirety to a third party (e.g. a financing partner).
- 9.2. Insofar as payment claims against the client are assigned to a third party, Dance may require the client to make payments exclusively to the third party.
- 9.3. Dance is entitled, in compliance with data protection regulations, to provide the third party with the documents and information required to assert the assigned claims, provided that there is a legal basis under data protection law, in particular, the consent of the customer following Article 7 of the GDPR.

10. Data protection

- 10.1. Dance complies with the applicable legal provisions, in particular the provisions of the General Data Protection Regulation (GDPR), when processing personal data of the customer. Dance primarily processes the personal data that is needed to provide the contractual services to customers and/or third parties. The contractual services include specifically to provide the best possible user experience to the customers. In particular, the processing of location data is also necessary to provide the services. Access to location data is only possible for specially authorized employees. In case of theft or any other criminal offense in connection with this contractual relationship Dance may disclose location data to law enforcement authorities.
- 10.2. Data that the customer has provided to Dance will not be passed on to third parties unless this is necessary for the performance of contractual obligations or

Dance selects all service providers carefully - especially with regard to data protection and data security - and takes all measures required under data protection law to ensure permissible data processing. In connection with the assertion of claims, data may also be passed on to companies or organizations that assert and enforce the claim for Dance. An assignment of claims may also be permitted in accordance with the GTC. In this case, personal data may be passed on to assignees.

- 10.3. Dance reserves the right to process the personal data of the Customer for credit assessment. For this purpose, the data can also be passed on to external service providers to the necessary extent or external data sources can be accessed. The Customer can revoke the consent for the use of his data at any time with effect for the future, but this can result in the fact that no contract offer can be made to the customer.
- 10.4. Insofar as Dance processes personal data on the basis of consent, Dance points out that the customer can revoke this consent at any time with effect for the future.
- 10.5. Further information on the purpose, nature and scope of data processing can be found in the privacy policy, the current version of which is available [here](#).

11. Final provisions

- 11.1. The laws of the Federal Republic of France apply to contracts between the Customer and Dance provided this stipulation is not in conflict with mandatory rules of the state in which the customer's abode is situated. Such rules, including but not limited to mandatory consumer protection laws, shall remain unaffected.
- 11.2. Should individual provisions of these terms and conditions be or become invalid, this does not affect the validity of the remaining provisions.
- 11.3. The French courts have exclusive jurisdiction.
- 11.4. In accordance with the provisions of the Consumer Code on the amicable settlement of disputes, in the event of a dispute, the Customer may have recourse to free mediation.
