1.3. Dance reserves the right to make changes to these terms and conditions as necessary to adapt to changing legal or technical conditions. Changes will be announced to the Customer by notification via email and by publication on the Dance website and in the Dance App. Possible changes are considered as approved if the Customer does not object to them in text form within 14 days after receipt of the notification of change. Dance will inform the Customer separately about the right of objection and the legal consequence of silence together with the notification of change. In the case of the Customer's objection to the change or addition of the terms and conditions, Dance is entitled to terminate the rental contract on the basis of these terms and conditions to the Customer with a notice period of four weeks.

2. Conclusion of Contract / Rental Object

- 2.1. Upon successful completion of the online ordering process, the Customer submits a binding offer to conclude a subscription. Through the order confirmation sent by Dance via email, Dance accepts the Customer's offer to conclude a subscription and thus the conclusion of a rental contract.
- 2.2. Dance does not save the text of the contract after the conclusion of the subscription.
- 2.3. In the course of the online order process, the Customer selects the desired Vehicle and, if necessary, additional accessories.
- 2.4. The Customer has no claim to receive a Vehicle in a certain color or design.
- 2.5. Dance is obligated to leave the rental objects to the Customer in usable condition and to maintain the usability during the rental period.
- 2.6. In order to check the personal data of the Customer, Dance is entitled to compare them with a photo identification of the Customer (e.g. identity card) and other documents for address verification (e.g. electricity bill).
- 2.7. The Customer authorizes Dance to perform credit checks and queries with credit agencies as well as to perform checks for the purpose of fraud prevention. By providing a form of payment, the Customer authorizes Dance to perform credit checks to identify risks associated with entering into the Subscription Agreement. Dance has the sole discretion to decline to provide a vehicle based on this information.
- 2.8. After positive results of the individual credit check, Dance reserves the right, at its own discretion, to require the Customer to pay a deposit, maximum in the amount of the value of the provided vehicle, as security in individual cases. The deposit amount must be paid before the selected vehicle is handed over. After termination of the subscription contract, the deposit amount shall be credited at the latest within five working days after the return of the vehicle using the payment method selected by the Customer upon conclusion of the contract. As an alternative to the deposit, Dance reserves the right, at its own discretion in individual cases, to require the payment of an advance payment, up to a maximum of the value of the provided vehicle, as security by the Customer. The security amount must be paid to Dance before the handover of the selected vehicle and will be offset against the monthly subscription fees during the contract period. If the contract is terminated by the customer before the security amount has been fully settled, the remaining amount will be refunded at the latest

within five working days after the return of the vehicle using the payment method chosen by the Customer upon conclusion of the contract.

- 2.9. Should the Customer's personal data change during the contract period, the Customer is obliged to inform Dance about the changes within two weeks.
- 2.10. To conclude a contract with Dance, the Customer must be at least 18 years old and his/her main residence must be in Germany.
- 2.11. Dance remains at all times the owner of all rental objects (namely Vehicles and possible accessories).

- 2.13. Unless otherwise agreed in the online ordering process, the Vehicle rental contract is extended by the period of time originally agreed in accordance with section 2.12, but with a maximum extension of one year, if the contract is not terminated before the end of the respective term, in compliance with the termination provisions stated in section 8.

3. Terms of payment

- 3.1. For the rental of a vehicle and, if applicable, its accessories or additional services, the fees are due on the first day of the contract period agreed upon within the ordering process.
- 3.2. The contract period begins on the day the Vehicle is handed over to the Customer. The Customer has the opportunity to test the vehicle after collection. If the customer decides to withdraw from the contract within 24 hours of collecting the vehicle, the customer may cancel the order free of charge.
- 3.3. The respective possible payment methods are shown to the Customer in the product information and/or in the online order process.
- 3.4. The timeliness of payments depends on the receipt of the amount for unconditional disposal by Dance.
- 3.5. Dance processes all payments via external payment service providers. This includes, but is not limited to, Stripe. The Customer agrees that Dance only

accepts payments through these service providers or that the service provider may debit the resulting amounts.

- 3.6. The Customer agrees to the automatic debiting of the owed invoice amount by selecting the payment method. In case of a possible contract extension or an applicable fee, Dance will automatically debit (collect) the owed invoice amount from the deposited payment method on the first day of the new contract period.
- 3.7. All prices are inclusive of the statutory value-added tax. Dance provides the Customer with an electronic invoice via the Dance app at the beginning of each billing period.
- 3.8. If the Customer is in default with the payment of a not insignificant part of the invoice amount, Dance is entitled to extraordinary termination of the contract as of the next billing period. The amount is considered not insignificant if either two invoices are not paid by the Customer or if the outstanding invoice amount exceeds a threshold of €150 in total. In this case, Dance reserves the right to collect the vehicle at the Customer's expense after the unilateral termination of the contract with immediate effect. In this context, the Customer is obliged to make the vehicle available to Dance at the notified time. If the vehicle cannot be found (e.g. because it is located on private property), Dance can demand compensation for the incurred costs according to the [fee list](#). The Customer is free to prove that no damage has occurred or the damage is significantly lower than the lump sum. Dance is entitled in case of extraordinary termination according to this clause 3.8 without prejudice to the legal rights of default to claim a lump sum compensation of 50 EUR. Dance is at liberty to claim damages exceeding the lump sum. The Customer remains entitled to prove that Dance has not incurred any damage or only lesser damage.

4. Permitted drivers

- 4.1. The Vehicle may be driven exclusively by the Customer, as well as one additional person that has been designated as authorized driver by the Customer (hereinafter "Authorized Driver").
- 4.2. Authorized Drivers are not permitted to drive the Vehicle before Dance has verified the validity of the Authorized Driver's official driver's license. In case the driver's license is not older than two years, Dance is entitled to charge a premium for the monthly rent according to the [fee list](#). Insurance coverage for use by a designated Additional Driver will lapse if their official driver's license has not been verified by Dance before the first use of the Vehicle.

- 4.3. Dance reserves the right to request Customers and Authorized Drivers to verify the validity of the driver's license again.
- 4.4. Only persons who have reached the age of 18 and hold a valid driving license, that entitles them to drive the rental Vehicle in the Federal Republic of Germany, are authorized to drive the Vehicle.

The Customer is obliged to inform Dance about any technical malfunctions. In the case of a loss or theft of the battery charger, Dance may charge a fee according to this [fee list](#).
- 5.10. If it is a Vehicle with a removable battery, the Customer will be handed over a battery at the handover of the Vehicle. The use of the battery is only allowed for the respective Vehicle. In case of battery malfunctioning, i.e. if the battery is submerged in water, the battery case is defect (bloated) or liquid is coming out, the Customer is obligated to immediately isolate the battery and inform Dance. In the case of a loss or theft of the battery, Dance may charge a fee according to this [fee list](#).
- 5.11. The Customer must handle the Vehicle with care. In particular, the Customer must ensure careful use of the battery by not storing the battery at temperatures below 0 degrees Celsius and is obliged to charge the battery at least every four weeks.
- 5.12. The Customer is responsible for recharging the battery and bears the costs for the consumed electricity. Recharging may only be done with the supplied suitable charger.

- 5.13. Prior to the start of each use of the Vehicle, the Customer is obliged to check that the Vehicle is in good working order and roadworthy (in particular the brakes, tires and lights) and to refrain from using it if it is defective. In case of defects that occur during the ride or are noticed during the ride, the Customer is also obliged to immediately stop using the Vehicle, inform Dance about the defect and refrain from using the Vehicle until Dance repairs it.
- 5.14. It is not allowed to make changes like painting, alterations or similar to the Vehicle or any accessories. The same applies to changes to the software of the board computer.

- 5.20. Dance is entitled to prevent the use of the Vehicle by the Customer if rental payments are not made, if there is a suspicion of improper use (e.g. for commercial purposes), if the Vehicle has a safety critical defect or if the Customer violates the clauses of these terms and conditions in any other way. In such a case, Dance is also entitled to locate the Vehicle via technologies like GPS and collect the Vehicle.

6. Insurance

- 6.1. Dance concludes a liability insurance for the Vehicle, which insures the usage of the Vehicle by the Customer and the Authorized Drivers. The general conditions

for the insurance of the respective insurer apply, which will be provided to the Customer upon request.

- 6.2. The liability insurance covers damage to third-party vehicles or property caused by a traffic accident for which the insured driver was at fault with the Vehicle, limited by the respective coverage amounts.

7. Damage / repair / theft

- 7.1. In case of functional impairment of the Vehicle due to damage, the Customer has to inform Dance within 24 hours after the damage has become known. The further use of the defective Vehicle is not allowed until the damage is repaired.
- 7.2. In case of damage to a Vehicle, Dance will carry out the repair at the Customer's location or in a workshop. If the damage cannot be repaired within a reasonable timeframe, the damaged Vehicle will be replaced by a comparable model.
- 7.3. In case of an accident with a vehicle or damage due to vandalism, the customer is obliged to report this immediately to the police and Dance. If Dance does not receive a damage report within seven days after the occurrence of the accident, the customer is liable for all costs and damages caused by the failure to report, including the loss of protection.
- 7.4. In case of damage events, the Customer is allowed to make an acknowledgement of guilt only after prior approval by Dance. The Customer is obliged to inform Dance immediately about damage events. Furthermore, the Customer has to send Dance a detailed written accident report, if necessary with an accident sketch, immediately, at the latest seven days after the damage event. The Customer has to record names and addresses of the involved parties and witnesses in writing. If Dance does not receive a damage report within this period, this may jeopardize the protection and in this case Dance reserves the right to charge all costs to the Customer according to the fee list.
- 7.5. If the Vehicle is not in a flawless, complete, roadworthy and operational condition corresponding to the mileage and the vehicle age upon return or upon inspection, or if the accessories are not complete, the Customer is obligated to compensate for the damage incurred. There is no obligation to compensate for contractual signs of use that are appropriate for age and mileage, as well as for previous damage that was already present at the time of handover to the Customer, as evidenced by the handover protocol.

- 7.6. The Customer's liability for damage to his own Vehicle is limited according to the [fee list](#) per claim due to self-inflicted accidents, vandalism, theft (if the Vehicle was properly secured according to 5.5), fire or explosion, collision with animals, animal bite, elementary damage, glass breakage and lock replacement due to loss of keys, unless the customer has acted with gross negligence.
- 7.7. If the Vehicle, a part of the Vehicle, a removable battery, or other accessories have been stolen or cannot be found for any other reason, the Customer is obliged to inform Dance about the loss via the Dance App as soon as possible, but at the latest within 24 hours after becoming aware of it. Furthermore, the Customer is obliged to participate in the attempt to recover the lost object and if necessary to give information (including in writing) to the insurance company and the police.
- 7.8. In case of theft of the vehicle, the Customer is obliged to pay an excess according to the [fee list](#). The obligation to pay the deductible by the Customer shall not apply in case of theft of the vehicle if the Customer has chosen the Extra protection when concluding the contract or has added this option during the term of the contract. An indispensable condition for the waiver of the obligation to pay the deductible is the proper securing of the vehicle before the occurrence of the theft. The coverage of the Extra protection is valid for two independently reported cases of theft. After that, Dance reserves the right to automatically exclude the Extra protection from the scope of the contract concluded with the Customer. The Extra protection does not cover theft or loss of personal belongings of the Customer. It is the Customer's responsibility to secure and protect personal belongings adequately. Dance assumes no liability for theft or loss of personal belongings of the Customer.
- 7.9. If the Vehicle and/or battery could be found again after payment of the deductible, Dance can refund the payment of the deductible to the Customer at its own discretion and depending on the technical and optical condition of the found Vehicle and/or battery. The Customer is free to prove that Dance has not suffered any damage, or that this damage is significantly lower than the deductible paid by the Customer. Dance reserves the right to claim further damages.
- 7.10. If the Customer has not secured the Vehicle as described in paragraph 5.5. and the Vehicle is lost, stolen or damaged, the Customer has to pay an increased deductible according to paragraph 7.8 and the [fee list](#). The Customer is free to prove that Dance has not suffered any damage, or that this damage is significantly lower than the deductible paid by the Customer. Dance reserves the right to claim further damages.

8. Termination of contract / return

- 8.1. Termination may be declared by the contracting parties at any time with effect from the end of the contract term, subject to compliance with the following formal and handover provisions.
- 8.2. Cancellations can be made by the Customer either directly in the settings of the Dance App or can be sent to Dance by any official supported Dance support channels (including but not limited to email, WhatsApp, in-app chat) In case of a cancellation via email, it has to be sent from the email address, which the Customer has stored in the personal data in the Dance App.
- 8.3. Upon termination of the rental agreement, the Customer is obliged to book a handover date within the contract period via Dance App and to return the Vehicle, as well as any accessories, to Dance.
- 8.4. If the Vehicle is not returned in time, the Customer is obligated to pay the agreed upon rent for the duration of the withholding as compensation according to §546a BGB.
- 8.5. Dance picks up the Vehicle at the scheduled handover date. The Customer has to drop off their vehicle at a designated pickup point selected through the Dance app without the presence of the Customer (permitted every day except from Fridays at noon to Mondays at 6am CET). If the Customer can not make the Vehicle available, the appointment needs to be canceled 24 hours before. The Customer has to pay compensation per wilfully or negligence missed handover date according to the fee list. If the Customer has not booked a handover date within the contract period, Dance is permitted to schedule one handover date per week until the collection is successfully completed.
- 8.6. On termination of the rental relationship, the Customer is obliged to return the battery, charger, phone holder and any other accessories in a proper and operational condition. The Customer is obliged to inform Dance about any technical malfunctions.
- 8.7. The right to terminate for cause according to § 314 BGB (German Civil Code) without observing a notice period remains unaffected. Reasons entitling Dance to extraordinary termination include, but are not limited to, all circumstances entitling Dance to block the Customer's access to the Dance vehicle in whole or in part or to suspend the provision of all services associated with the subscription in accordance with the contract, such as due to a reputational violation of Dance by the customer's breach of an obligation under the contract or a violation of the standards for interaction between Dance and the Customer. Such breach

includes, but is not limited to, libel, slander, hatred, incitement, and threats of violence or calls for violence directed at Dance employees. The customer has the possibility to comment on a warning, which may precede the termination, within seven days after receipt of the warning, for example by e-mail to legal@dance.co. If no comment of the Customer is received within the mentioned period, Dance can terminate the contract unilaterally at the end of the current payment period. The right to claim damages remains unaffected by a termination.

9. Limitation of Liability

- 9.1. Dance is liable for intent and gross negligence. Further, Dance is liable for the negligent breach of obligations, whose fulfillment is essential to enable the ordinary implementation of the contract, whose breach jeopardizes the achievement of the purpose of the contract and on whose compliance the Customer may rely on regularly. In the last-mentioned case, Dance is only liable for the foreseeable, typical contractual damage. The same applies to breaches of duty by vicarious agents of Dance.
- 9.2. The abovementioned exclusions of liability do not apply in case of damage of life, body and health. The liability pursuant to the product liability law remains unaffected.
- 9.3. Dance assumes no liability for items left in the vehicle at the end of the contract duration. It is the customer's responsibility to ensure that no personal or valuable items are left in the vehicle. Dance recommends that customers conduct an inspection prior to returning the vehicle to ensure that no personal items are left in the vehicle. If this is still the case, please contact the customer service immediately. Dance will assist in the recovery of lost items to the best of its ability, but their location or return can't be guaranteed.

11. Assignment of claims

- 11.1. Dance is entitled to assign payment claims and other claims against the customer individually or in their entirety to a third party (e.g. a financing partner).
- 11.2. Insofar as payment claims against the client are assigned to a third party, Dance may require the client to make payments exclusively to the third party.
- 11.3. Dance is entitled, in compliance with data protection regulations, to provide the third party with the documents and information required to assert the assigned claims, provided that there is a legal basis under data protection law, in particular, the consent of the customer following Article 7 of the GDPR.

12. Data protection

- 12.1. Dance complies with the applicable legal provisions, in particular the provisions of the General Data Protection Regulation (GDPR), when processing personal data of the Customer. Dance primarily processes the personal data that is needed to provide the contractual services to Customers and/or third parties. The contractual services also include, in particular, providing customers with the best possible user experience. In particular, the processing of location data is also necessary to provide the services such as maintenance and service. The vehicle manufacturer also receives location data for maintenance and repair purposes. In this context, location data may also be transferred to countries outside the EU or the EEA ("Third Countries"). However, the manufacturer has no knowledge of the direct personal data of the customer.
Access to location data through Dance is only possible for specially authorized employees. In case of theft or any other criminal offense in connection with this contractual relationship Dance may disclose location data to law enforcement authorities.
- 12.2. Data that the customer has provided to Dance will not be passed on to third parties unless this is necessary for the performance of contractual obligations or

the provision of services. In particular, data will not be passed on to third parties for their advertising purposes. However, Dance uses service providers for the operation of the website or for other products or services. It may happen that a service provider obtains knowledge of personal data. Dance selects all service providers carefully - especially with regard to data protection and data security - and takes all measures required under data protection law to ensure permissible data processing. In connection with the assertion of claims, data may also be passed on to companies or organizations that assert and enforce the claim for Dance. An assignment of claims may also be permitted in accordance with the GTC. In this case, personal data may be passed on to assignees.

- 12.3. Dance reserves the right to process the personal data of the Customer for credit assessment. For this purpose, the data can also be passed on to external service providers to the necessary extent or external data sources can be accessed. The Customer can revoke the consent for the use of his data at any time with effect for the future, but this can result in the fact that no contract offer can be made to the customer.
- 12.4. Insofar as Dance processes personal data on the basis of consent, Dance points out that the Customer can revoke this consent at any time with effect for the future.
- 12.5. Further information on the purpose, nature and scope of data processing can be found in the privacy policy, the current version of which is available [here](#).

13. Final provisions
